ROCKFLEET CASTLE
CAISLEÁN CHARRAIG AN CHABHLAIG

This 15th or 16th century tower is said to have been besieged by an English expedition from Galway in 1574, but this was repulsed by the Pirate Queen Grace O'Malley who lived here after the death of her second husband in 1583.

Sa 15ú haois nó sa 16ú haois a tógadh an túr seo. Deirtear gur cuir slua Sasanach ó Ghailimh faoi léigear é sa bhliain 1574, ach chuir Gráinne Ní Mháille, Banríon na bhFoghlaithe Mara, an ruaig orthu. Chuir sí fúithi anseo nuair a fuair a dara fear céile bás sa bhliain 1583.
